157th REUNION CELEBRATION

Message From The President, Terri Wallace

“Treasuring Our Traditions, As We Move Into The Future”

Greetings Alumni! It's our favorite time of the year! A time for reminiscing, strolling down memory lane and rekindling old friendships! We've lost some along the way, but in spite of our loss, we've been endowed to continue carrying the torch! It's up to us to keep the values and traditions of Woodward Alive!

Alumni, we need **you!** The Association and Woodward Career Technical High School needs you! With our vast supply of resources gifts and talents, our Alumna Association and school should lack for nothing. As alumni, we must involve ourselves in the School's vision, students and activities. It's time to get and stay involved. Often I hear about individual class reunions

and how great they turn out. Let us not forget about our annual Founder's Day and Reunion Celebration! Without the vision of Wm. Woodward, we would not have individual reunions to attend! We **all** must do our part so the vision will not become like the picture...

Anticipating Your Arrival!

Message From The Principal

It is with great pleasure that I have an opportunity to say hello and to share the great news concerning the academic progress of Woodward Career Technical High School. This fall, our school received congratulations from Governor John Kasich, State Superintendent of Public Education Stan Heffner and Cincinnati Public School District Superintendent Mary Ronan for our exemplary performance during the 2010-2011 school year for advancing to the designation of Continuous Improvement on the State of Ohio Report Card.

This accomplishment is due in large part because of the hard work of our students. Our students received a lot of support to pass all five parts of the Ohio Graduation Test. Not only did this support come from teachers and school staff, but it also came from our community partners, our parents and those like you, with a special interest in seeing Woodward do well.

This year, we plan to continue that work, by striving to earn an effective rating on the 2011-2012 Ohio Department of Education Report Card.

We are operating our work around 5 school-wide SMART goals (Continuous Improvement, Instruction, School Operations and Resources, Collaboration and Family & Community).

We are thankful to the Alumna Association for helping us keep the legacy of our school fresh in our student's minds. You can continue to be included in this work by purchasing a brick for the new stadium walkway. If you are interested in supporting this project please contact Mr. Jeff Ervin at 363-9300. (**Details in side**).

I look forward to seeing you at this years celebration!

Sincerely,
Shauna Murphy

See you then, **Steve Blackwell and Liz Lewis.**

The class of '55 attempts to give four scholarships a year to deserving Woodward graduates. Stay tuned for news regarding plans for our 60th Anniversary reunion. **Mrs. Agnes Terry.**
