Celebrating Our 163rd REUNION

7005 Reading Road
Cincinnati, Ohio 45237

Message From The President-Penny Booker-Beverly'81

“Calling all Bulldog 4 Life Alumni – Now is the time to come out and show your pride!! We must remember our past in order for the present to continue and the future to exist”

Welcome Woodward Alumni,

These past two years as President of the Association has been a great honor. I look forward to continue working with Principal Murphy, the students, the staff, the athletic department, alumni and the Association .

One reason I'm a proud BD4L Alumni is because of Woodward being the oldest public school not only in Cincinnati but in the country. I'm proud of the good times I had, the activities I participated in and attended, the friendships I made, my education I received and the discipline that Woodward taught me.

For 162 years our Alumni have proudly come together to celebrate our founder William Woodward's birthday, March 8th. We celebrate our rich history as we take that walk down memory lane with friends and make new memories. Attending the Founder's Day program and the reunion luncheon is an excellent way to show your BD4L school spirit and pride.

Once again, I'm calling out all you that claim to be a "TRUE BULLDOG 4 LIFE ALUMNI" for your assistance and your commitment. You can help by volunteering at school functions, games, mentoring students, donating money, becoming a member of the Association, paying an annual dues of (\$10), or joining as a lifetime member for (\$100).

The WAA is still looking for new trustees and officers. If interested please contact us and join one of our meetings. We can be reached at woodwardnews@yahoo.com or by calling 513-363-9415. We only have 4 meetings per year and are responsible for assisting with the Founder's Day Program and overseeing the Founder's Day Saturday Reunion Luncheon. The Association puts the luncheon together with great effort, dedication, commitment and pride. We need you to keep the tradition going. An increase was apparent in membership and in school participation but we must

continue in order to survive. WE MUST HAVE PARTICIPATION FROM ALL ALUMNI CLASSES sooner rather than later!

Looking Forward to meeting you all at the Founder's day Program and Reunion Luncheon.
Loyal Bulldog 4 Life Alumni!

Founder's Day Reunion Celebration

We will honor the

Golden Anniversary Class Of 1968

and the

Silver Anniversary Class Of 1993

Greetings From The Principal-Shauna Murphy

Dear Woodward Alumni,

I am happy to have this opportunity to share some of the many accomplishments of our school and to let you know we are excited to see you at this year's Founder's Day Celebration.

This fall, our girls' volleyball team earned the status of the CMAC champions. They finished their season without a loss and we look forward to revealing a banner that will hang in the gymnasium in their honor. We are so proud of their accomplishment.

As many of you know, we have three career technical academies: **Advanced Manufacturing, Building Technologies and Health Technologies**. One of our goals is to have our students graduate ready for college and have a career. This year, we are excited to offer industry credentials to our students in **First Aid, CPR, ACT Work Keys, NCCER, Phlebotomy, Microsoft Office, STNA and Welding**. We know our students will leave Woodward ready for the world! Our **Building Technology students** were recently included in a **\$101,000.00 Impact 100 grant**. One aspect of the grant is for the students to build a house in Bond Hill. This is an exciting time for our students!

Finally, if you have any ideas or thoughts you would like to share with me, please know I am more than interested in hearing from you. I may be reached at the school phone number listed below.

Sincerely,

Shauna Murphy
